**Goals:**
- Increase ELA test scores for students with limited English proficiency
- Increase ELA test scores for students with English language learners
- Increase ELA test scores for students with migrant

**Strategies:**
- Professional development for teachers
- Parent engagement
- Student support services

**Performance Measures:**
- ELA test scores for students with limited English proficiency
- ELA test scores for students with English language learners
- ELA test scores for students with migrant

**Targets:**
- Increase by 5% in each of the previous years

---

**School & Student Performance in Number:**
- 2013-14: 60
- 2014-15: 65
- 2015-16: 70
- 2016-17: 75
- 2017-18: 80
- 2018-19: 85
- 2019-20: 90
- 2020-21: 95

**Impacts:**
- Increase in reading scores for English Language Learners
- Increase in math scores for English Language Learners
- Increase in science scores for English Language Learners

---

**Budget Link:**
- Increase in budget for ELA programs
- Increase in budget for student support services

---

**Key Priorities:**
- Professional development for teachers
- Parent engagement
- Student support services

---

**ESE Strategies:**
- Professional development for teachers
- Parent engagement
- Student support services
